You can also enjoy the outdoors on the terraces of both levels as well as **on the intermediate - swimming pool level.**

The school can be accessed from level 2 or from the 5th floor of the residence. The air-conditioned classrooms are located **on the 6th floor (1 to 14) next to the teachers and the Head of Studies staff rooms, the 5th floor (B1 to B4) and, on the 4th floor (C1 to C4).** Secretaries office and the rest of the schools' departments are located **on the 5th floor.**

There are 3 areas we use for our schools' general activities programme. Salón Málaga, next to the residences' reception desk, **Salón Andalusia** which is in the restaurant (level 2) and, **Salón Picasso** which is located at the entrance of the building next to the staircase.

The residence consists of 5 floors (1 to 5) with approx. 22 rooms per floor. On the 5th floor you will also find **the study centre with its library and the "Hola" room** which are **open to residents until 22:00.** The reception desk (attended 24h/7), activities office, housekeeping and maintenance departments as well as **the laundry room, are all located on the 1st floor.**

You can use the directories and colours as a guide to move around the building: **red "residence", orange "school", yellow "offices" and green "services".**

There is free of charge **Wi-Fi throughout the campus** and you have **access to 2 multimedia spots, one in the study centre and another in Salón Málaga.**

The free of charge Spanish medical service is only available to students coming from countries that are members of the European Community or, that adhere to the Treaty of Schengen and have the EHIC (European Health Insurance Card). We highly recommend travelling to Spain with it.

You can go to any healthcare centre, the closest to Malaca Instituto is:

**Centro de Salud El Limonar
C/ República Argentina, s/n
Tel: 952 226809 / 952 223376**

The fee system in health centres, hospitals and clinics in Spain are not well defined, we highly insist, especially for non-European students, to have purchased a health insurance.

Dentists in Spain work in private practices and therefore you need to pay. The nearest dentist is across the street:

**Clínica Dental Molar
C/ Rodeo, s/n Bajo. Edificio Multicentro.
Tel: 952 202023**

In the case of an accident directly contact and inform the schools' reception staff. Tel: 952 293242/ (+34) 689 773753

Emergencies:

Extreme health or police emergency call 112

If you are in Malaca Instituto, talk to one of us.

If you are at your Spanish family's home, ask them for help.
